February 25, 2010

Environment Committee  
Room 3200, Legislative Office Building  
Hartford, CT 06106

Members of the Joint Standing Committee on the Environment:

Let me lend my support to the recommendations voiced by the Candlewood Lake Authority regarding the maximum boat length and motor size to be permitted on the lake.

Chief elected officials of our region, the Candlewood Lake Authority and First Light have all taken a careful look at the issue.

Additionally, the DEP joined our regional chief executives in working together to develop what we believe are appropriate recommendations.

Thank you for your consideration in supporting these recommendations.

Sincerely,

A handwritten signature in black ink, appearing to read "M. D. Boughton", is written over a horizontal line.

Mark D. Boughton  
Mayor
